

\$339,000 - 911 E King St, Lancaster

MLS® #PALA2069356

\$339,000

0 Bedroom, 0.00 Bathroom, 2,925 sqft

Multi-Family on 0.11 Acres

N/A, Lancaster, PA

Welcome to opportunity on the outskirts of Lancaster City! Currently rented to 6 individual residential residents + 2 garages to create substantial income, the property is zoned local commercial with a wide array of potential uses. Note that the 6 residents share a single kitchen and 2.5 baths, and each have their own bedroom space. Permitted uses include daycares, offices, retail sales and more, see documents for more info. Designed by the famed architect C. Emlen Urban, the building retains much of its original beauty with ornate trim work inside and out, high ceilings and spacious rooms, attractive hardwood floors and much more. The location near public transportation, parks, dining and shopping and all the amazing amenities of downtown Lancaster make this a super convenient place to live. The property would be ideal for an organization or investor that would gain value from continuing the current use (not currently an approved use although it's operated that way for years), and could be converted back to a gorgeous residence, among other possibilities. The detached two car carriage house features a space above (currently used for storage) that could be finished as a detached guest suite. Take a look at whether this could be the one for you!

Built in 1888
